EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Kris Kalidindi on January 21, 2005.

The application has been amended as follows:

Claim 1, line 6, after "strap", --to connect ends of the support device to the safety strap--, has been inserted.

Claim 1, line 7, after "and", --wherein-- has been inserted.

Claim 2, line 2, "encircles" has been changed to --is adapted to encircle--.

Claim 3, line 2, "maintains" has been changed to --arranged to maintain--.

Claim 4, line 2, "slides" has been changed to --is adapted to slide--.

Claim 9 has been replaced with -- The support device of claim 2, wherein the belt portion is adapted to maintain contact between the safety strap and the pole if the blade portion dislodges from the pole.—

Claim 15, line 8, after "strap", --to connect ends of the support device to the safety strap-- has been inserted.

Claims 16-19, line 1, "support" has been deleted.

Art Unit: 3634

Claim 20, line 10, after "device", --to connect ends of the support device to the safety strap-- has been inserted.

The following is an examiner's statement of reasons for allowance: the primary reason for the allowance of claims 1, 15, and 20, is the inclusion of a belt portion/support device having a locking member to secure ends of the device together, a ring member for integrating the belt portion and the safety strap, and a connection member to mate with a connection member of the safety strap that connects the ends of the support device to the safety strap. The prior art of record fails to teach or suggest the claimed features absent the applicant's own disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Hugh B. Thompson II whose telephone number is (703) 305-0102. The examiner can normally be reached on Monday thru Friday 9 am to 5:30pm.
